

LET THE MAGIC BEGIN

Specify your own flooring. We offer a wide variety of flooring materials, including natural stone finished materials, retro mosaics, classic ceramic, traditional hardwood and upscale marble. Choose your own style and stain for the cabinets. Even add a special touch with our selection of cabinet moldings. Select from a wide choice in top-notch appliances, including stainless steel, white or black. Add the final touch with some custom cabinet hardware. Today, there are so many materials to choose from for your countertops and kitchen island countertop. Concrete, granite and Corian countertops are just a few of the choices. We even integrate electrical planning into our kitchen remodeling projects. Illuminate the kitchen with under-the-counter lighting, in-cabinet lighting, pendants or spot lighting.
